

PEPPER TREE

October 2024

We are delighted to provide you with your WHITE DOZEN from Pepper Tree!

Your Wine Club Crew has selected the below wines to feature in your White Dozen:

WHITE DOZEN

Single Vineyard 'Alluvius' Hunter Valley Semillon

The name 'Alluvius' derives from the well drained, 'alluvial' soils found in vineyards planted close to river beds. Pure Semillon aromas of lemongrass and lime articulate the nose of this classic Hunter Semillon. The palate is intense yet elegant displaying mineral texture with great line and length. A wine of great drive and extraordinary finesse.

Cellar up to 10 years.

Single Vineyard 'Pump Shed' Wrattonbully Chardonnay

The Pump Shed Chardonnay derives its name from our premium Chardonnay that is grown on the same block that houses our Wrattonbully vineyards 'pump shed' which irrigates the vines as needed. A very vital shed!

Grown from Bernard 76 clone Chardonnay vines, this wine is typically made in vintages producing very small crops, leading to concentrated flavours and excellent acid balance. Careful handling with a judicious use of oak has crafted a restrained and complex Chardonnay with great fruit intensity.

Cellar up to 5-10 years.

Limited Release Orange Sauvignon Blanc

Displaying vibrant aromas of passionfruit and gooseberry with lifted citrus on the nose. A lively and expressive cool climate Sauvignon Blanc showing great varietal character combined with a fine balance, providing a crisp clean finish.

Cellar up to 3 years.

Alternate Series Wrattonbully Pinot Grigio

Picked slightly early, our Pinot Grigio is produced in the classic Italian style. The wine is fresh, zippy and energetic with perfumed aromatics of Beurre Bosc pear, grapefruit and subtle white florals. The palate displays crisp citrus, white peach and refined minerality with a clean acid line. This is a wine of tremendous length and balance best enjoyed in its youth.

Cellar up to 3 years.

Varietal Range Hunter Valley Verdelho

Our Varietal Verdelho shows lifted tropical fruits with hints of musk, spice and guava florals. A full flavoured fruit – packed palate, with ripe tropical fruits, well balanced with great mouth feel and a long crisp finish. This fresh and expressive style offers consumers a new alternative in 'designer white wines', that is a perfect match with our modern Australian cuisine.

Cellar up to 3 years.

Varietal Range Wrattonbully Pinot Gris

Ripe pear and green apple aromas meld with florals and spice notes. A fruit driven palate with a hint of spice, well balanced with great mouth feel and crisp finish.
