

PEPPER TREE

October 2024

We are delighted to provide you with your SINGLE VINEYARD MIXED DOZEN from Pepper Tree!

Your Wine Club Crew has selected the below wines to feature in your Single Vineyard Mixed Dozen:

SINGLE VINEYARD MIXED DOZEN

Single Vineyard 'Alluvius' Hunter Valley Semillon

The name 'Alluvius' derives from the well drained, 'alluvial' soils found in vineyards planted close to river beds. Pure Semillon aromas of lemongrass and lime articulate the nose of this classic Hunter Semillon. The palate is intense yet elegant displaying mineral texture with great line and length. A wine of great drive and extraordinary finesse.

Cellar up to 10 years.

Single Vineyard 'Stone Mountain' Orange Riesling

Our Orange vineyard is situated on the volcanic slopes of Mt Canobolas in the Orange region. Grown at an altitude of 800 metres, our Riesling is a dry aromatic style with a perfumed nose of orange blossom and ginger spice that leads into a palate framed with citrus zest and a long refined finish. Enjoy in its fragrance now or cellar for further complexity.

Cellar up to 10 years.

Single Vineyard 'Pump Shed' Wrattenbully Chardonnay

Grown from Bernard 76 clone Chardonnay vines, this wine is typically made in vintages producing very small crops, leading to concentrated flavours and excellent acid balance. Careful handling with a judicious use of oak has crafted a restrained and complex Chardonnay with great fruit intensity.

Cellar up to 5-10 years.

Single Vineyard 'Elderslee Road' Wrattenbully Cabernet Sauvignon

Flavours of blackberry integrated perfectly with spicy French oak. A marvellously rich palate packed with sweet ripe berry fruits balanced by French oak. Fine ripe tannins provide great structure and depth to the long and generous palate. A full bodied Cabernet of distinction.

Cellar up to 20 years.

Single Vineyard 'The Gravels' Wrattenbully Shiraz

Our best Shiraz is grown on our Gravels block in Wrattenbully. Situated at the base of an ancient dune, this block has red soil mixed with ironstone gravel, over free draining Gambier Limestone. These tough well drained soils, provide tiny crops of intensely perfumed fruit. An opulent and aromatic wine, full bodied and powerfully concentrated with dark berry fruits and wonderfully exotic spice.

Cellar up to 20 years.

Single Vineyard '8R' Wrattenbully Merlot

The 8R clone has only recently been introduced into Australia and is selected for its flavours and fine tannins and produces the best Merlot parcels from the vineyard. We have separated the fruit from this block as it shows more flavour and intensity with excellent structure. Beautiful rich soft Merlot characteristics with a firm structure. The palate is loaded with clean red fruit flavours and great texture from maturation in fine French oak.

Cellar up to 15 years.

Please note: Vintages may change / due to personal tastes and preferences, please use suggested cellaring as a guide only.
