LIMITED RELEASE

2022 Wrattobully Pinot Grigio

One of the great fresh drinking varieties without any added preservatives or processing aids. Full of apple and pear notes with a touch of honey and white flower notes on the mid palate. Drink now, slightly chilled.

Head Winemaker, Gwyn Olsen

## VINTAGE

Wrattobully experienced a cool vintage which led to slow balanced ripening. The cool weather allowed for complete flavour ripening by time sugar ripeness was achieved. This produced great balance across all varieties and exceptional colour and flavour depth in all red varieties whilst the whites have beautiful floral characteristics and natural balanced acidity.

## VINEYARD

Wrattobully is located in the Limestone Coast wine zone. The prominent viticultural feature of the area is the series of ancient beach ridges and dunes which run roughly north-south through the area. These ridges are made up of soft crumbly limestone which weathers to produce the red and brown Terra Rossa clay loam soils so highly prized for grape growing. The ridges and dunes have elevations of up to 30m compared with the neighbouring regions to the south with a Terra Rossa 'high' of less than 5m. The extra elevation on the Wrattobully dunes produce the advantage of cold air drainage which reduces the risk of frost during the growing season.

## APPELLATION / GI

Wrattobully (South Australia) 100%,

## WINEMAKING

The grapes were harvested in the cool of the night and on arrival at the winery crushed and the juice was pressed off and fermented cool in stainless steel tank. The resulting wine was settled and filtered to bottle without any additives or preservatives.
